VISAS, INOCULATIONS AND INSURANCE

Our safari prices do not include the cost or provision of visas, inoculations, anti-malaria tablets or personal Insurance. Tour Operators and Travel agents are responsible for their client's requirements. For further information, please ask for our separate visa information sheet and travel information document.

FLYING DOCTOR SERVICE

FDS cover is included in the tour cost for most clients booked with Holiday Migrations. This insurance provides emergency medical treatment and air evacuation from anywhere in Kenya, Tanzania, Uganda and Rwanda for up to 30 days. Terms & conditions apply full details in our separate Travel Information document.

VOUCHERS

Tour Operators may issue a travel voucher using the information in this document. Alternatively, we can provide a Holiday Migrations voucher on request. Clients will be met by our representative at the airport as they exit from Customs/baggage hall. A sign board with clients name and Tour Operator will be displayed by the rep. All hotel vouchers will be handled locally by the driver/guide and reps. Air tickets will be given to clients locally
